*Be It Enacted by the General Assembly of the State of Iowa:*

1 Section 1. Chapter one hundred seven (107) Code 1946,  
2 is hereby amended by adding thereto as a new section the  
3 following: "The Conservation Commission is authorized to pay  
4 special assessments on state lands under its administration  
5 out of funds specified under section one hundred seven point  
6 nineteen (107.19)."

### EXPLANATION OF H. F. 237

This act provides authority for the conservation commission to use any profit from state owned lands controlled by them for the purpose of paying the taxes levied in the form of special assessments of said land, thus relieving the state of the obligation to pay such taxes. The conservation commission receives the benefit under the present law and the tax assessments are paid through appropriations by the state.
